MANCHESTER UNIVERSITY PRESS, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Brazil has suddenly become a country of interest to the West, playing a critical role in global economic talks at the G20 and WTO, brokering North-South relations through its new international economic geography, and stepping into regional and global security questions through its activities in Haiti, Paraguay and the nuclear question in Iran. This book explains why Brazil is taking an increasingly prominent international role, how it conducts and plans its regional and global interactions, and what the South American giant intends to do with its rising international influence.
