Designed to prepare nurses for medical-surgical nursing practice and for success on the NCLEX, Brunner Suddarth s Text of Medical-Surgical Nursing, 13th Edition, has been a favorite resource for students, instructors, and practicing nurses for almost a half-century. Its comprehensive yet accessible approach covers a broad range of medical conditions while focusing on the nursing process and the nurse s role in caring for and educating patients and families within today s complex health care delivery system. This edition focuses on physiologic, pathophysiologic, and psychosocial concepts as they relate to nursing care and integrates a variety of concepts from other disciplines such as nutrition, pharmacology, and gerontology. Coverage of the health care needs of people with disabilities, nursing research findings, ethical considerations, and evidence-based practice provides opportunities for readers...
