Includes footnotes and a bibliography for further reading. Many ancient civilizations have influenced and inspired people in the 21st century. The Greeks and Romans continue to fascinate the West today. But of all the worlds civilizations, none have intrigued people more than the Mayans, whose culture, astronomy, language, and mysterious disappearance all continue to captivate people. In 2012 especially, there was a renewed focus on the Mayans, whose advanced calendar has led many to speculate the world would end on the same date the Mayan calendar ends, but if anything, the focus on the doomsday scenario overshadowed the Mayans true contribution to astronomy, language, sports, and art. The Maya maintained power in the Yucatan for over a thousand years, and at the height of its Classical era (3rd-9th centuries A. D. ), the city of Tikal was one of the power centers of the empire. Archaeologists believe Tikal had been built as early as the 5th or 4th century BC, and eventually it became a political, economic and military capital that was an important part of a far-flung...
