

Elements of Chemistry: With Practical Exercises (Classic Reprint)

By Francis J Grund

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Elements of Chemistry: With Practical Exercises To the description of each element is annexed a short table, exhibiting its principal combinations with other substances, and each chapter is followed by questions for recapitulation, which are numbered to correspond with the sections of the book. The fifth and sixth chapters treat respectively of vegetable and organic chemistry, and the seventh chapter explains the three principal processes of fermentation, or the spontaneous decomposition of organized matter. Each of these chapters is again followed by questions for review, numbered to correspond with the sections of the text. The appendix contains a brief description of the steam engine, with questions for the learner. Numerous engravings are introduced for illustrating the experiments, and indeed no expense and labor spared to render the work intelligible even to ordinary capacities. It is hardly necessary to add that on his tour to Europe the author has had an opportunity to embody in his work the latest discoveries in chemistry, and that it may therefore be reasonable in him to hope that in this...
