

## Sport and International Development (Global Culture and Sport Series)

By Beacom, Aaron (Editor)

Palgrave Schol, Print UK, UK, 2009. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. Available Now. Book Description: Investigating the capacity of sport to act both as a conduit for traditional development assistance activities and as an agent for change in its own right, this book argues that sport can contribute to the development process, particularly where traditional development approaches have difficulty in engaging with communities. : Review: 'Sport and International Development is a welcome addition to this developing academic area and provides an informative account illustrating the diverse ways sport is used for international development'. : - International Journal of Sport Policy and Politics : 'The book is interesting in its theory-based analysis of a highly practical development strand. Sport and International Development helps to look at the issue from many different angles and enables the reader to ask whether sport really is an appropriate tool for social change' : - Development in Practice: 'Sport and International Development provides a solid foundation, and it is a useful tool. The collection addresses the contentious issues in the field today and offers answers to how sport can be a contributor to meaningful social change in the developing world. Because...
