Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The secret of Life is whispered for ever in our ears, summoning us to enter the hall of everlasting youth, bidding us unbar the door of our present divinity, pointing the path of unconquerable power, revealing to mortal man the secret of man the immortal. We are challenged to make true for ourselves the dreams we have dreamed of God. There is a newborn hope in the message of the unseen as it comes to us. We have passed out of the shadow into the sunshine. The clouds that hung so long about the door have lifted. The burden of the world's anguish has melted away. Since the Cross first threw its black shadow along the earth, the promise of immortal life was held forth to those only who turned back in bitterness from the world, whose garb was sackcloth, their best hope despair. Their master was the Man of Sorrows. Their password was Renunciation. But we have left behind us the old evangel of pain. Our new watchword is Victory. Our genius is the lord of Joy. We are to renounce no longer but to conquer: to overcome the world not by flight but by possession. No longer exiles but victors shall knock at the immortal doors.
