

Regain the Sense of Smell: Home Remedies for Anosmia (Paperback)

By Guzalia S Davis

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Before I started seeing clients in my hypnotherapy practice, I had no idea how common the loss of smell is, and how little help the medical world has to offer to these people. Through practice and continuing research, I have developed a protocol that proved to be effective for many of my clients. Some were able to regain the sense of smell partially and some to the full 100 . I know that not everyone has this sort of service available, and this is why I am sharing the techniques and practices that you can perform on your own in the comfort of your home. I remember the very first inquiry I have had received from a gentleman that suffered from anosmia for many years. He said: I just want to smell roses again before I die. It made me think about how we take for granted what we have, and only when we lose it do we truly realize how big of a gift it was. My hopes are to help you to smell the roses again, to smell fresh...

I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

It is great and fantastic. Better than never, though I am quite late in starting reading this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.
