Berkley Publishing Group, United States, 2006. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Susan Wittig Albert s exciting mysteries have been praised as unique (Seattle Post-Intelligencer) and fascinating (Booklist). Now, a dead man s bones are uncovered--and Texas ex-lawyer and herbalist China Bayles must dig into a pair of murders separated by time but connected by motive. When China s teenage son finds some skeletal remains during a local cave dig--remains that show a not-so-accidental death--it s a disturbing development. But China doesn t let it distract her from the opening of the new community theater donated by the elderly Obermann sisters. Unfortunately, the haughty, bullying Jane Obermann--and her frail, frightened younger sister--made the donation with a condition: that the first production be a play written by Jane about their aristocratic family history. The premiere party ends with a bang when a ne er-do-well local handyman is shot dead by Jane while breaking into the Obermann estate. It seems like a clear-cut case of self-defense. But China senses something else going on behind the scenes. Now, the key to catching a killer might be the mysterious bones in the cave--a clue from the past that could help China solve a mystery in the present.
