HE term, The Astral Tube, is frequently met with in the writings of Occultists, but you will find very little more than a mention of it in many of such works, the proverbial caution of the older writers having acted in the direction of preventing their entering into a fuller description or explanation, for fear of the information falling into improper hands. This will be more readily understood, when we tell you that the Astral Tube is, and may be, used for classes of phenomena other than that of Psychomancy, notably that of Mental Influencing, treating, etc., which however forms no part of the present work, but which will be discussed in a future volume of the series to be called Mental Influence, etc. The Astral Plane is composed of an ethereal form of matter, very much rarer and finer than the matter of the Physical Plane--but matter, nevertheless, and subject to fixed laws and conditions. And, just as it is possible to establish lines of force in the physical matter, so may corresponding lines of force be established in Astral matter. And this Astral Tube is really such a line of force. In other words, it is possible to set up and establish a line of force on the Astral Plane, that will serve as a ready conductor of Astral vibrations, currents, etc., and which affords a highly efficient channel of communication between objects far removed from each other in space. And this...
