English for ICT Studies is a skills-based course designed specifically for students of ICT who are about to enter English-medium tertiary level studies. It provides carefully graded practice and progressions in the key academic skills that all students need, such as listening to lectures and speaking in seminars. It also equips students with the specialist language they need to participate successfully within a ICT faculty. Extensive listening exercises come from ICT lectures, and all reading texts are taken from the same field of study. There is also a focus throughout on the key ICT vocabulary that students will need. *Listening: how to understand and take effective notes on extended lectures, including how to follow the argument and identify the speaker's point of view. *Speaking: how to participate effectively in a variety of realistic situations, from seminars to presentations, including...
