Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Imagine watching your hands crochet a lace skirt, watching your feet pad along the path, your voice singing, your thumb tapping songs on a glass screen and never feeling like there is a you doing or not doing anything or nothing. Imagine the feeling that there are no separate things. No one thing being pummeled about by other things like a universe of ping pong balls. Wouldn't there be a seamless ease and an unspeakable quietude no matter what seems to appear, when all hope and fear and need of a never arising next is gone? Imagine no longer trying to change or fix yourself or others or the world as you know without a doubt that life is, just as it seems to appear, utterly perfect. Imagine knowing that no one, including you, is the instigator of their thoughts feelings or actions, that life indeed does itself, totally spontaneously. Imagine knowing and feeling always that there are no separate things or feelings or thoughts or moments. That there is no right or wrong way to feel or think or act or live or love or die. Imagine knowing you and everyone you love or have ever loved is a dream character in a play that no one wrote, that sings itself, that all measurement and dimension and time and love are made up.
