Can We Minimize Hunger and Poverty in the World?: The Power of Giving (Paperback)

By Lino Benza

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Welcome to this book that will impact the world, changing philosophy of thought, concerning the power of giving and receiving. I have a dream, a dream of contributing to those who have no voices in the poor villages, countries, in the corners of the world. I m a daring, ambitious, positive person, determined to dream high and represent possibilities for the most vulnerable people specially children without any hope for the future, the widows, those mutilated in wars, the abandoned elders in order to attempt to make this world a better place to live. As Andrew Carnegie, one of the richest men in the world and a great philanthropist said: The rich have a moral duty to distribute their wealth to the poor. Even with his wealth, he always cared about social justice and preached the exercise of philanthropy. Carnegie is seen as the first businessman to publicly declare that the rich have a moral obligation to share their accumulated fortunes. In the last chapter-9, you will have the privilege of knowing celebrities, entrepreneurs who have discovered the value of...
