Penguin Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Catherine Alliott, bestselling author of A Rural Affair and A Crowded Marriage, examines just the sort of trouble a girl can land herself in when she gets caught in the middle of a love triangle in Not That Kind of Girl. A girl can get into all kinds of trouble just by going back to work . . .Henrietta Tate gave up everything for her husband Marcus and their kids. But now that the children are away at school and she's rattling round their large country house all day she's feeling more than a little lost. So when a friend puts her in touch with Laurie, a historian in need of a PA, Henrietta heads for London. Quickly, she throws herself into the job. Marcus is - of course - jealous of her spending so much time with her charming new boss. And soon enough her absence causes cracks to form in their marriage that just can't be papered over. Then Rupert, a very old flame, reappears, and Henrietta suddenly finds herself torn between three men. How did this happen? She's not that kind of girl . . . is she? Step into Alliott country with Not That Kind of Girl. Praise for Catherine Alliott: Compulsively readable The Times Possibly my favourite writer Marian Keyes.
