Reviews

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Mr. Stone Kunze)

Createspace, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The main road to wealth in New Orleans has long been Carondelet street. There you see the most alert faces; noses-it seems to one-with more and sharper edge, and eyes smaller and brighter and with less distance between them than one notices in other streets. It is there that the stock and bond brokers hurry to and fro and run together promiscuously-the cunning and the simple, the headlong and the wary-at the four clanging strokes of the Stock Exchange gong. There rises the tall facade of the Cotton Exchange. Looking in from the sidewalk as you pass, you see its main hall, thronged but decorous, the quiet engine-room of the surrounding city s most far-reaching occupation, and at the hall s farther end you descry the Future Room, and hear the unearthly ramping and bellowing of the bulls and bears. Up and down the street, on either hand, are the ship-brokers and insurers, and in the upper stories foreign consuls among a multitude of lawyers and notaries. In 1856 this street was just assuming its present character. The cotton merchants were making it their favorite place of commercial domicile. The open thoroughfare served in lieu of the present exchanges; men made fortunes standing on the curb-stone, and during bank hours the sidewalks were perpetually crowded with cotton factors, buyers, brokers, weighers, reweighers, classers, pickers, pressers, and samplers, and the air was laden with cotton quotations and prognostications.
