Thunder Bay Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. This amazing interactive book is bulging with mind-blowing information and stuffed with puzzling questions designed to build boys brains. Every page offers fascinating facts plus plenty of space for boys to fill with their own thoughts, drawings, lists, inventions, found facts, comic adventures, and totally mad musings. Build knowledge. Expand creative and critical thinking skills. And - best of all - have 176 pages of infomaniacal F-U-N! Here are just a few of the many things packed inside this amazing interactive journal: meet Josh Casey, holder of the Guinness World Record for sitting on the most whoopee cushions. Then draw yourself doing something awesome. Learn about the unbelievably dumb laws passed by the U.S. Congress. How dumb? Well . . . Congress made it illegal to pick on Bigfoot. Then brainstorm laws you would pass if you were elected to Congress. And don t forget the bonus feature: full-color stickers! Two pages of peel-off stickers let kids create sticker stories, jazz up their journal pages, paste favorites to their foreheads, or sticker-up their backpacks and binders.
