Dating Backwards is a fresh look at some old concepts along with some common sense ideas about dating. It is a path to discover the extraordinary person you are and who will best be your extraordinary partner in life. This book will help you identify the different types of love, introduce you to the concept of the Four Cornerstones of Relationships and show many of the mistakes people continually make as they search for and enter into relationships. The principles in this book are designed to help singles from 18 to 80 and beyond. The journey begins with determining what type of relationship you want and then you will be guided in developing your Must Haves list. This list is the discovery of characteristics which results in the best relationship for you. We help you uncover the Deal Breakers which guides you away from repeating the same mistakes over and over. You will learn to identify your personal Red Flags that are warnings signs which provide you protection and guidance in choosing a potential mate. You will find guidance to help you to determine and discover what qualities you have to offer to a potential mate and uncover any qualities you possess that may be Deal Breakers to others. We all carry baggage in life and into a relationship. What is packed in your bag Do you bring family issues Do you bring issues from past relationships Common questions answered are: How soon should you date after a divorce What about dating after the death of a spouse Do you have children and what is the impact of dating on them How do you prepare your family for you entering...
