By Harriet Russell

Open this book, and you will discover a most curious and diverting collection of illustrated envelopes, all of which have been sent through the Royal Mail system. In Envelopes , Harriet Russell has created a wealth of different ways of communicating an address: mazes, join-the-dots, anagrams, illustrations, puns, visual games, experimental fonts, puzzles, and literary wordplay. You may find it hard to believe that the majority of the envelopes arrived at their intended destinations, but they did, and all have the postmarks to prove it!
