# St 31-205 Special Forces Caching Techniques: December 1982 (Paperback)

By Us Army John F Kennedy Warfare Center

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Out of print for decades, this classic special forces manual is back! This is the real deal, not some incomplete, poorly-done internet mashup. ST 31-205 is the exact manual issued to US Special Forces. Page count, illustrations, table of contents; it s all there in its entirety. Nothing added and nothing taken away. Survival depends on having what you need - when you need it. The elite U.S. Army Special Forces are trained to operate far behind enemy lines for long periods of time and have developed proven methods for long term storage of weapons, ammo, communications gear, food and other essential supplies. These methods are adaptable to your long term survival storage needs. It s not just military professionals who need to cache equipment and supplies for later retrieval. Preppers and concerned citizens need to read and digest this manual and make caching an important part of their contingency planning for both sheltering in place and for bugging out. In this manual you will learn the US Army Special Forces logical and bombproof methodology for reconnoitering a potential cache site,...
