Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

Countryman Press Inc. Paperback. Book Condition: new. BRAND NEW, Backyard Sugarin': A Complete How-to Guide (4th Revised edition), Rink Mann, Michael Farrell, This little book swept maple sugarin' buffs off their feet when it first appeared and is still the top-selling guide to the craft after over 40 years in print. Backyard Sugarin' tells you how you can make maple syrup right in your own backyard without having to build a sap house or buy buckets, holding tanks, evaporators, and other expensive paraphernalia. This new edition also features a foreword by maple expert Michael Farrell, author of The Sugarmaker's Companion, who provides a contemporary look back at the old-school techniques presented in this book. With detailed "how-to" information and tips from sugarers across the country, this is the only maple sugaring guide you'll ever need.
