GENESIS OF GENESIS (PAPERBACK)

[DOWNLOAD](#)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How ancient is ancient astronomy? At what level have we played Lost Found with the same information? Can you imagine owning the first Book - first focused presentation - of the answer to a question which has puzzled Scholars for the better part of two thousand years? They knew the answer was in front of them, but - because of a simple expression of age at death which was popular at the time when Gutenberg published the common language Bible - they couldn't see it. Imagine owning the first Book to reveal what scholars, since the time of Gutenberg, have failed to see - THE GENESIS OF GENESIS. In 1892, Benjamin Bacon wrote of The Book of Genesis: The minutest detail of numbers, statistics and measurements pervades all the history, and gives to the whole document the tone of a mathematical calculation. He was unable to explain the math. It has taken 120 years -- the lifespan of man - for someone to explain what Bacon observed. In 1994, AE produced a show, Mysteries of the Bible, in which, Brandeis University Professor of Biblical Studies, Marc Zvi Brettler, stated: The ages of the Bible really are a mystery and really are quite perplexing if people were to take everything that is said in these stories literally. Termed Secret Knowledge, it is knowledge you can own. What's the connection between China, Britain, Egypt, Israel? The Answer is in a book found in the average American and European home. You read some of the answer in GRANDPA WAS A DEITY . Now learn the rest. After that, you might want to check the supplemental books: CHARTING THE PATRIARCHS and CHARTING OMER, the Patriarch...
