Reviews

Excellent eBook and helpful one. This can be for all who statte there was not a worthy of studying. You will not feel monotony at at any moment of your respective time (that's what catalogs are for regarding when you request me).
(Princess McCullough)

THE MAN WHO COULD BE KING (PAPERBACK)

Amazon Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. When young Josiah Penn Stockbridge accepts the position as aide-de-camp to George Washington at the beginning of the Revolutionary War, he thinks only of the glory and romance of battle. He is unprepared for the reality of America s bloody fight for independence. The Continental Army is starving, underpaid, and dangerously close to mutiny, and Washington fights not just to defeat the British but to maintain order and morale among his own men. As anonymous letters by officers calling for revolt circulate through camp in Newburgh, New York, Washington must make a choice: preserve the young republic by keeping civilian control of the military, or reshape the new government by standing in solidarity with his troops and assuming greater power for himself. During one fateful week in American history, Josiah will watch a conflicted general become a legend and will discover for himself that the greatest struggles of war are those within the hearts and minds of fallible men.
