Le Silence ! il est certain qu a mon cote, ainsi que songes, etendue dans un bercement de promenade sous les roues assoupissant l interjection de fleurs, toute femme, et j en suis une qui voit clair ici, m exempte de l effort a proferer un vocable: la complimenter haut de quelque interrogatrice toilette, offre de soi presque a l homme en faveur de ce qui s acheve l apres-midi, ne pouvant a l rencontre de tout ce rapprochement fortuit, que suggerer la distance sur ses traits aboutie a une fossette de spirituel sourire. Ainsi ne consent la realite; car ce fut impitoyablement, hors du rayon qu on sentait avec luxe expirer aux vernis du landau, comme une vociferation, parmi trop de tacite felicité pour une tombee de jour sur la banlieue, avec orage, dans tous sens a la fois et sans motif, du rire strident ordinaire des choses et de leur cuivrierie triomphale: au fait, la cacophonie a l ouie de quiconque, un instant ecarte, plutot qu il ne s y fonde, aupres de son idee, reste a vif devant la hantise de l existence.
