Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My girlfriend dead, murdered, lying in the gutter at my feet. Police could be here any minute. Time to leave. No way will they believe that I just got here, not while they think I killed my previous girlfriend. I m innocent. Of both. Not that even my own family believe that. It couldn t be proven in court but that didn t convince anyone, especially not the psychopathic criminals I had to go to for help along the way. This is not going to be a good day. Unless. unless I can be luckier second time around. Time to go on the offensive. Time to find out who is making my life a living hell and killing the women I love.
