Reviews

Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the autumn of 2002 and at the tender age of 47, I set off alone on a bicycle intending to ride across the USA. From San Diego, California I rode 3,112 miles to arrive 72 days later in St. Augustine, on the Atlantic coast of Florida. Usually, I camped or slept rough in the deserts and mountains, exploring the back roads and delighting in the magnificent solitude and wild empty spaces. This is a book about traveling alone by bicycle. It is not a how-to-do-it manual or a travel guide but a story of pure adventure; a story born out of frustration and middle-aged dread, written by someone whose value set may now be a little different from yours. It is an account of a journey; one that will appeal to anyone of a certain age who has ever said I wish . Every word of it is true.
