I've killed too many to count. All in the name of United States security. I don't care. I don't feel -- I just do what I'm told. My latest assignment was different. I had to go undercover. Try to find out if the nightclub owner, Luke Brasco, was really planning to sell vital information to terrorists -- before I took him out. I had to sleep with the target. It was the only way. I showed up at his club, an enigma in black, and asked about renting the apartment above the club. He'd barely said yes before I had him in bed. It wasn't just sex. It was heart pounding, body racking, soul wrenching. Sex like I'd never had before. I made a fatal mistake -- I fell in love!.
