

Legacies: Book 1: Captain to Captain (Paperback)

By Greg Cox

SIMON SCHUSTER, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. An epic new trilogy begins-a tie-in for the milestone fiftieth anniversary of Star Trek: The Original Series-that stretches from the earliest voyages of the Starship Enterprise to Captain Kirk's historic five-year-mission, and from one universe to another! Hidden aboard the U.S.S. Enterprise is a secret that has been passed from captain to captain, from Robert April to Christopher Pike to James T. Kirk. Now the return of the enigmatic woman once known as Number One has brought that secret to light, and Kirk and his crew must risk everything to finish a mission that began with April so many years ago. Nearly two decades earlier, April and his crew first visited the planet Usilde, where they found both tragedy and a thorny moral dilemma. Today, the legacy of that fateful occasion will compel Kirk to embark on a risky voyage back to that forbidden world-which is now deep in territory claimed by the Klingon Empire! It is a single of my favorite pdf. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
