### Reviews

*It is in a single of the best pdf. Better than ever, though I am quite late in starting reading this one. I realized this ebook from my dad and I encouraged this publication to understand.*

HarperCollins Publishers Inc, United States, 2009. Paperback. Condition: New. Reprint. Language: English . Brand New Book. In any race, there are drivers. At the front of the pack, there are racers. In the final laps, it's the racer who moves his car through the sweet spot, picks off the competition, and drives through a hole to win. In Kyle's family, his older brother, Kris, has always been the racer, born and bred to it, like his father and grandfather and great-grandfather before him. And that's just fine with Kyle; he's got other things to do. Now Kris is out of commission, injured, and Kyle has no choice but to drive. Does he want to drive just long enough to keep Kris's seat warm, or does he want to race--and win?
