

Greater Roland Park (Paperback)

By Douglas P Munro

Arcadia Publishing (SC), United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Developer Edward Bouton revolutionized American life with the creation of Roland Park, one of the country's first streetcar suburbs, located in Baltimore, Maryland. Unlike many late-19th-century suburbs, Roland Park is well preserved, and many would consider it a late-Victorian version of Colonial Williamsburg. In the 20th century, Bouton also created Roland Park's sister developments: Guilford, Homeland, and Original Northwood. The latter two were developed after the heyday of the streetcar; in contrast, Roland Park without streetcars would have been unthinkable. Even now, trolley memories abound in the form of surviving old trackage and waiting shelters. Greater Roland Park explores the development of the suburb and its neighbors: Embla Park, Evergreen, Keswick, Lake Falls, Lake Roland, New North Roland Park, The Orchards, Poplar Hill, and Tuxedo Park.

Reviews

Here is the best pdf i actually have go through till now. We have study and i also am certain that i am going to planning to go through once again once more in the future. You will not sense monotony at at any time of the time (that's what catalogs are for regarding in the event you question me).

-- **Frederique Rolfson**

Without doubt, this is the very best operate by any writer. This is for all those who statte that there was not a well worth reading through. I discovered this pdf from my dad and i suggested this book to find out.
