By Jan Johnson-Smith

University Press of New England, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. From The Next Generation and The X-Files to Farscape and Enterprise, science fiction television shows have millions of devoted fans. American Science Fiction TV is the first full-length study of this popular genre. American Science Fiction TV opens an important new area of genre studies and will be of interest to scholars and fans...
