Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Come One, Come All is a locked-room murder mystery, and a take-off on locked-room murder mysteries. It is a comic novel, but realistic. Abe Redden, the narrator, is a young psychiatrist who was widowed three years ago. He is, consequently, still depressed, yet retains an ironic sense of humor. He is skeptical, insubordinate and combative--yet kind. He is enlisted to help a beleaguered women s health center in New York City The center is besieged by two groups of rioters, one supporting gay rights and the other right to life. They quarrel with certain programs of the center and, of course, with each other. The book treats the opposing points of view of the protestors and the clinic staff sympathetically. Two murders take place, and Redden, himself, becomes a target of the murderer. Redden meets Tina Cantor, the newly appointed head of a treatment program for sexual disorders and presumed author of a lurid and wildly successful novel about a sex treatment program in the Midwest. They fall in love. There is a very funny seduction scene that continues off and on throughout most of the book. Adam Adamson is a psychiatric patient who claims to come from 150 years in the future and is, therefore, able to foretell some of Redden s future behavior. He is interviewed by the popular press and gives an hilarious account of life in the future. He claims to know something crucial about the murders taking place, but has forgotten just what. Many of the characters are psychiatrists, and so a subsidiary story line contrasts comically the psychoanalytic and the competing organic theories of sexual behavior. Cyril Kelly is in charge of the gynecological service at...
