Are you confused and struggling to teach your children how to stay safe online? Are you interested in making their learning fun and entertaining? Congratulations, you have found the right series of childrens books! The Diary of Elle series is all about cyber safety for kids. They are great Internet safety books for kids that will teach your child about cyber safety (internet safety, cyberbullying, social media, online presence) through fictional stories - a more positive, fun and entertaining way to teach kids about Internet safety! These chapter books are self-readers - suitable for boys and girls aged between 8 and 12 years old. About this book In this story, Tom is over the moon because he has finally reached an age where he can compete against his friends and older brother in the Twilight Run. In his excitement, he crosses a few dangerous lines in the online world. Can Elle keep up with his training for this big event? But more importantly, can she teach him how to manage his online world safely. What your child will learn in this book: How to stay safe on the Internet for children Online safety tips and tricks for children How to identify the signs of cyberbullying in children How to deal with cyberbullying Today s children are growing up using technology and the Internet more frequently than ever with kids as young as 4 and 5 years old learning how to get online and find information. The ability to connect with others, access a vast amount of information and share experiences with their friends is fantastic but daunting for parents. So, if your children...
