Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

(Paula Gutkowski)

THE LAST ORCHARD IN AMERICA

THE2NDHAND. Paperback. Condition: New. 186 pages. Dimensions: 8.0in. x 5.0in. x 0.4in. Sue Longtree is too young to be a matriarch, but when she moves to run down the story behind her brothers suicide, she stands at the top looking down on a family in shambles. The suicides hardly a whodunit, as the private dick that Longtree hires, our hero Harry Jome, sees it. Or is it The answer may lie less in a walls bloodstains or the cheap framed prints that cover them than in the pages of a manuscript. This hardboiled literary meta-noir channels both the genres suspense and seaminess, and at once offers an implicit critique of the culture that makes it possible. ADVANCE PRAISE: Combining the black-hearted noir of our haunted country with more twists and turns than anyone could predict. Better yet, in its narrator, Harry Jome, Last Orchard unleashes a voice as wry, surprising and inventive as any in recent memory. Peter Rock, author of *The Shelter Cycle* and *My Abandonment* A classical story of the damaged damsel limping alongside the recovering rogue toward parts unknown. And while its clearly a novel that takes itself seriously, that doesnt mean the reader is never given a moment of levity, a break from the grim nature of the subject matter: Anybody who gets his head knocked off by a slow-moving train is challenged in some special way. Its the beautiful bastard child of *The Long Goodbye*, *Pulp*, and *Confederacy of Dunces*. Andrew Armacost, author of *The Poor Mans Guide to Suicide* You know the guy: private gumshoe, buying his pistol back from hock, waiting on a tailor to finish his suit cuffs. You know the city, though here it helps that our hero has the eye of an architecture critic, pacing around the brutalist office blocks, monuments...
