CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2016. Hardback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This market-leading textbook has been fully updated in response to extensive user feedback. It includes a new chapter on joints and veins, additional examples from around the world, stunning new field photos, and extended online resources with new animations and exercises. The book's practical emphasis, hugely popular in the first edition, features applications in the upper crust, including petroleum and groundwater geology, highlighting the importance of structural geology in exploration and exploitation of petroleum and water resources. Carefully designed full-colour illustrations work closely with the text to support student learning, and are supplemented with high-quality photos from around the world. Examples and parallels drawn from practical everyday situations engage students, and end-of chapter review questions help them to check their understanding. Updated e-learning modules are available online (and further reinforce key topics using summaries, innovative animations to bring concepts to life, and additional examples and figures.
