What would you do to escape living in your worst nightmare? Meet Casey, a quiet 13-year-old girl living in a city just outside of New York City. Each day she lives in her nightmare with her step father who abuses her mentally and physically. Casey finally has enough and decides to escape this life through the use of the only thing she has access to, heroin. The choice is not easy, but it gives her a quick jump out of her own existence. Just when she is feeling good, she is betrayed once again and finds another way to run, this time she runs away to New York City. As a young girl who has come to New York City with no money, no friends, and no family to turn to, she is forced to make some tough life decisions on how to survive. Taken up by a woman with one of the oldest professions known to man, Casey begins to turn into someone that her younger self would not recognize, hardened by the streets and the things she continues to experience, Casey develops habits that she would have been ashamed to have only months before. Each choice that she makes only seems to deepen her in this black hole that she has slipped into. When life continues in a downward spiral and rock bottom seems inevitable, Casey gets a light at the end of the tunnel. She begins to turn her life around and fight off the demons from her past. Life is becoming something to be proud of and Casey is making something of herself. Just as everything seems perfect, her past catches up. Will Casey...
