

The Undergraduate Years (2011-2012) (Paperback)

Filesize: 4.29 MB

Reviews

Merely no phrases to describe. It generally does not price an excessive amount of. Its been designed in an extremely simple way in fact it is simply soon after i finished reading through this pdf through which really altered me, modify the way i really believe.
(Natasha Rolfson)

THE UNDERGRADUATE YEARS (2011-2012) (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Undergraduate Years (2011-2012) is Volume I of Kyle R. Brady: The Collected Works, a collection of the author's academic works, divided into specific and tangible periods, meant for both the curious reader and posterity itself. Each individual piece serves as a short-but-detailed introduction to the subject under consideration, in a way that's aiming for both understanding and relevance. Moreover, each piece serves as a brief window to the author's worldview at the time and his evolving interests, creating an important record in understanding his academic and professional development. Volume I -- while not particularly revolutionary, groundbreaking, or deep -- contains top-notch academic work for a student who was, at the time, an A-level political science undergraduate trying to understand the world through the lenses of political theory, political philosophy, international relations, and realism. Subjects include Aristophanes, Thucydides, The Republic of Turkey, Sigmund Freud, Herbert Marcuse, Aristotle, Mencius, David Bohm, John Dewey, Jurgen Habermas, Michael Walzer, the City of San Jose, Thomas Hobbes, Jean-Jacques Rousseau, Realism, and The Russian Federation. Chapters: 1 - Public Opinion and the Politics of War: Aristophanes Lysistrata and Thucydides On Justice, Power, and Human Nature 2 - Turkiye Cumhuriyeti: The Republic of Turkey, The European Union Member Who Never Was 3 - Sigmund Freud: Suppressing the Violent Tendencies of Humanity through Governance 4 - Herbert Marcuse: Moving Beyond the Triumvirate of Art, Language, and Politics 5 - Governance and Public Duty: Balancing Pragmatism and Benevolence 6 - Properly, Politically Educating the American Public: Examining Great Thinkers and Theorists - Bohm, Dewey, Habermas, and Walzer 7 - The City of San Jose, the City Council, and the Public: A Demonstrated Power Differential...
