The Little Mouse the Mouse Posters Templates Booklet (Paperback)

By Jr Ph D James Albert Barnes

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Posters Templates Booklet is an excellent companion to the book The Legacy of Little Mouse the Mouse. These templates will allow you to enlarge, to the size of your choice, any or all the illustrations displayed in The Legacy of Little Mouse the Mouse and more. You may want to introduce these posters to young people prior to, during, or after reading the appropriate chapters---or the entire book. Whatever you decide, these displays will be a helpful teaching aid. After each one is introduced, you may want to pin it up on a bulletin board or allow young people to use them as prompts to retell Little Mouse s tale and/or explain the model to others. Once the posters are on display they can become a very powerful reminder to young people about what they are all about. Just head to your local printer. Print them off. Enjoy the discussions these posters will elicit.
