Amelia Earhart--pioneer, adventurer, pilot As a child, Amelia Earhart wondered why there were no heroines in her favorite adventure stories. She resolved to change that when she grew up. And so she did, becoming one of the pioneers of aviation. Not only was Amelia Earhart the first woman in the world to fly across the Atlantic Ocean, she was the first person to cross it twice. Her life became a great adventure story--and a great mystery, too. In 1937, on an around-the-world flight, Amelia disappeared. Today, her courage and spirit remain an inspiration to everyone who flies or dreams of adventure. Contains black-and-white illustrations. About the Women of Our Time series: International in scope, the Women of Our Time series of biographies cover a wide range of personalities in a variety of fields. More than a history lesson, these books offer carefully documented life stories that will inform, inspire, and engage.
