What Is Contemplation? (Paperback)

By Thomas Merton

Martino Fine Books, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.2013 Reprint of 1948 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Contemplation is a word that Thomas Merton used again and again in his writings. It is a theme that he spent much of his life exploring. About contemplation, he wrote Contemplation is the highest expression of man's intellectual and spiritual life. It is that life itself, fully awake, fully active, fully aware that it is alive. It is spiritual wonder. It is spontaneous awe at the sacredness of life, of being. It is a vivid realization of the fact that life and being in us proceed from an invisible, transcendent, and infinitely abundant source. Contemplation is above all, awareness of the reality of that source. It knows the Source, obscurely, inexplicably, but with a certitude that goes beyond reason and beyond simple faith. It is a more profound depth of faith, a knowledge too deep to be grasped in images, in words, or even in clear concepts. This short pamphlet is a good introduction to this important topic in the overall work of Thomas Merton.

Reviews

It is one of the best pdf. It is written in straightforward words and never difficult to understand. It has been designed in an extremely straightforward way and it is just following I finished reading this book through which basically modified me, affect the way I believe.
