Canadian Multilingual Literacy Centre, United States, 2014. Paperback. Book Condition: New. 234 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.Many of Canada s foremost career practitioners have contributed to this unique textbook for students of career development - the first to describe the principles and ethical practice of career development in a Canadian context, and to examine the development and maturing of the profession in Canada. Designed with content, resources, and activities to be a learning tool for students, a resource for educators, and a reference for career practitioners in the field, the book is ideal for students and educators of career development at community colleges and universities, workshop leaders and attendees, and career professionals. Much attention is given to the nuts and bolts of the practice for developing relationships with clients, helping clients with career planning and decision making, and equipping clients with job search skills. Diversity and social justice are strong themes. Chapters examine the needs of special populations: Aboriginal peoples, immigrants, refugees, and the poor. Career development is a lifelong process of managing learning and work. Chapters describe the challenges and the approaches for guiding the process for students in elementary school, through high school, and in the postsecondary years. Professionalism runs throughout the text - ethical practice, historical development, Canadian Standards and Guidelines, competency, and attention to current pressing issues. Among these are accountability of career practitioners and evaluating the efficacy of career services. The text concludes with a look at the transformations that are taking place in the career development sector. Career Development Practice in Canada is the first comprehensive Canadian book to offer the insights of researchers, educators, and practitioners on the key issues related to the theory and practice of lifelong career development in Canada. It will...
