FUN AND GAMES: PLANNING A PERFECT PARTY: DIVISION (PAPERBACK)

Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. 2nd ed.. Language: English. Brand New Book. What goes into planning the perfect birthday party? Students will learn how division can make party planning easy! From calculating how many pizzas to order and how many party favors to buy, this book teaches students principles of division that they will be able to use in their daily lives. The real-life problem-solving opportunities make learning division relevant, practical, and fun. The captivating images, practice problems, and mathematical charts and diagrams help develop students math and reading skills. The DOK-leveled Math Talk section facilitates mathematical discourse and higher order thinking skills with questions that students can respond to at school or home. This full-color book includes text features such as a glossary, index, bold print, and a table of contents to increase understanding and build academic vocabulary. The extensive Problem Solving section and Let's Explore Math sidebars provide numerous opportunities for students to practice what they have learned. Learning division is fun and easy with this engaging grade 3 math reader!
