Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Franklin Gamble is a man haunted by visions of a family he can t remember and the growing awareness that his world is a fabrication by oppressors who control every aspect of his existence. After being contacted by the mysterious Coalition, Frank is reluctantly persuaded to find the answers that elude him. His pursuit of truth puts him in a duel of wills against the Sovereign, the oppressive empire that uses the machine of propaganda combined with the brutal terror of their Dogmen to smother any spark of rebellion. The Coalition reveals the Sovereign s technological prowess that has trapped its inhabitants in a lethargic state to prevent rebellion of any sort. With time running out and his life at risk, Frank must choose between defiance or submission; a decision that will either further imprison him. or shatter an Empire forever. In the vein of 1984 and Fahrenheit 451, Bard Constantine presents a dystopian preview of a world that is not, but very well could be our own.
