How to draw profound lessons from history. to bring some wisdom to the people. to help the country. national progress. should be the main purpose of the author of the study of history. My first monograph Eastern Zhou. Qin. Han and Social Transformation . on the first attempt from China looking for answers in the social transformation of this great historical period of institutional change; monograph Reflection and compare: the history of the ancient societies of the West gap . mainly from the level of Chinese and Western the ancient social comparison research to explore the major defects of the traditional Chinese system of cultural and gaps. The two books summed up some meaningful lessons of history. but because of the depth of investigation of academic. somewhat alienating the general public. Therefore. this third book. wanted in on the basis of the above academic research on the history of the institution of traditional Chinese society and its characters. ideological. cultural. popular writing and concise language to conduct a more comprehensive look at on China find the institutional culture hinder the normal development of social ills and lessons from popular commentary. the history of a piece for a concise and easy to understand the major issues....
