More practical than politically correct, her advice covers every aspect of landing and keeping a man. Developing "Geisha Consciousness," she says, helps maximize a woman's femininity. The author invites readers to become a "Younger Sister," a geisha-in-training, and then proceeds into the four parts of this lively, provocative book: getting started as an American Geisha; sex secrets to bond him to you; planning for marriage; and keeping the marriage fresh and sexy. She suggests specific strategies for women including creating a bedroom shrine of worship to hubby's manhood; learning to express femininity and sexuality; identifying and then dating their "Good Man." An afterword on "Geisha Power," a glossary of terms, recommended reading, and resources help readers expand the experience.
