

## Wondrous Whispers of Wisdom from Ancient India vol. II

By V. K. Subramanian

Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 197pp. WONDROUS WHISPERS OF WISDOM FROM ANCIENT INDIA VOLUME TWO, like its predecessor volume, picks out the pearls of wisdom from ancient literature of India, which offer a code of conduct, a philosophy of social and ethical relations and a lively teaching of morals so crucial to the society in the new millennium caught up in a turmoil of decaying values. The selections in this volume include maxims from four great works of antiquity: Panchatantra, Hitopadesa, Tirukkural and Sukraniti. Every aspect of life has been touched in the maxims of these four works. The book gives a rich and varied fare to give practical guidance and lift up the spirits of all: business executives and professionals, educationists, social reformers and public men and women who are stressed out by the intractable problems and immobilised by the frightening dilemmas facing modern society.
