By Warren Wiersbe

David C Cook Publishing Company. Paperback. Book Condition: new. BRAND NEW, Be Responsible, Warren Wiersbe, "A bad workman always blames his tools." As you follow along with Dr. Wiersbe in this study of 1 Kings, you will see over and over again the importance of moral character in leaders, as well as the tragedy of leaving God out of...

### Reviews

*Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).*

*Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
