

The Professional Code of Conduct: Corporate America and How to Obtain Your Dream Internship or Job.

By Michael J Bottaro

iUniverse, United States, 2007. Paperback. Book Condition: New. 228 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Each year millions of college students and college graduates all over America take part in their internship and job searching process. Applying for jobs and the interviewing process can be one of the most stressful times in a college student's life. Even the brightest students with the highest G.P.A.s are challenged with obtaining the job, which they desire. This is why reading this book can help eliminate these aggravations. My goal as an author is to pave the path for students all over America towards obtaining their dream jobs and internships. This book will greatly benefit any college graduate or student approaching graduation in the near future. Grades are extremely important, however one of the greatest misconceptions of students and their parents is that grades are everything. This is far from the truth. Professionalism is everything in the society in which we live. If you do not possess the art of professionalism in the corporate world, you have nothing. The Professional Code of Conduct will help prepare you with everything from what attire is considered suitable to...
