

The West Memphis Boogieman: Condensed Version. (Paperback)

By The O.J. Simpson Murders 40/40 Hindsight Sam Dennis McDonough

Lulu.com, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The West Memphis Boogieman is about justice for three 8-year-old boys, their convicted teen-age killers, and celebrity intervention in justice. This is the one book in which you will find the important evidence and facts that show who mutilated three boys in the West Memphis Robin Hood woods. In addition, it tells how and why celebrities were determined to get the convicted murderers released from prison. I wrote The West Memphis Boogieman because my greatest passion is searching for the facts and evidence that lead to the truth in real crimes. Anyone who is looking for a complete account of the facts and evidence in the on-going West Memphis Three crime should read The West Memphis Boogieman . On the other hand, (1) C.S.I. enthusiasts who believe that only DNA evidence can prove guilt, (2) anyone who would rather obtain biased opinions from viewing fantasy movies full of half-truths and false hoods, and (3) anyone bored by facts and strong evidence may want to avoid this book.
