## THE BLACKENED CANTEEN

1st World Publishing, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. On June 20, 1945, just before the end of the war, 123 American bombers took off from the island of Guam for an attack on Shizuoka, a Japanese city at the foot of Mount Fuji. The raid destroyed two-thirds of the city, taking the lives of two thousand of its citizens. Twenty-three American airmen also died when two of their planes collided in mid-air. That these twenty-three men were enemy soldiers mattered little to one Japanese person who buried their remains next to the graves of the Shizuoka citizens killed in the attack and erected a memorial for them there. Many years later, in 1971, another Shizuoka citizen learned of this. He began holding his own ceremony beside the memorial, praying for the souls of the twenty-three Americans each year on the Saturday closest to June 20. Though the two countries were once at war, the selfless action of one Shizuoka citizen over sixty years ago has built a bridge between the two countries, inspiring a campaign for peace among Japanese and American citizens, and strengthening ties between the two countries. Having campaigned for peace for many years, this beautiful story strikes a deep chord with me. I hope it will become more widely known around the world and inspire other people too. Imagine Peace, Yoko Ono Jerry Yellin takes you from the terror of war to the everlasting hope of peace, in a unique story of World War II. -A human story like no other. God bless you, Dr. Sugano. John Colli, Nephew of Ken Colli from The Blackened Canteen Words cannot express the true feelings of the heart when reading The Blackened Canteen....
