Hodder Stoughton General Division, United Kingdom, 2014. Hardback. Book Condition: New. 236 x 156 mm. Language: N/A. Brand New Book. Clever and compelling. I loved this! Nina Stibbe, bestselling author of Love, Nina There are many reasons to bake: to feed; to create; to impress; to nourish; to define ourselves; and, sometimes, it has to be said, to perfect. But often we bake to fill a hunger that would be better filled by a simple gesture from a dear one. We bake to love and be loved. In 1966, Kathleen Eaden, cookery writer and wife of a supermarket magnate, published The Art of Baking, her guide to nurturing a family by creating the most exquisite pastries, biscuits and cakes. Now, five amateur bakers are competing to become the New Mrs Eaden. There s Jenny, facing an empty nest now her family has flown; Claire, who has sacrificed her dreams for her daughter; Mike, trying to parent his two kids after his wife s death; Vicki, who has dropped everything to be at home with her baby boy; and Karen, perfect Karen, who knows what it s like to have nothing and is determined her facade shouldn t slip. As unlikely alliances are forged and secrets rise to the surface, making the choicest choux bun seems the least of the contestants problems. For they will learn - as Mrs Eaden did before them - that while perfection is possible in the kitchen, it s very much harder in life.
