

Understanding And Power of Astrology

By Wally Krause

2013. Hardcover. Book Condition: New. 514 Astrology is a subject of never ending fascination. Nearly as old as man it has guided us through life. It used to occupy a far greater part of man and through the ages has guided kings and noblemen through daily life with remarkably accurate results., , As the science of astrology is very complex and intense, the author has combined the knowledge of several subjects into a reference system that allows a person, even with little knowledge of Astrology, to provide accurate readings. It is no longer necessary to memorize a lot of information to be a precise forecaster., , It is like a book within a book that easily guides through all subjects with precise information., , The book sheds light on the 9/11 attack on New York, the future of the USA, and addresses the lives of several celebrities., , It is an important guide to master astrology with a minimal effort of time. About The Author:- Wally Krause has spent many years travelling and living in Germany, Italy, South Africa and presently resides in Log Angeles, California, USA. Her immense zest for knowledge about man, his motivation and the control extended...
